Enjoy live music, wine from Cima Collina, & appetizers by Mama Selene, Quail Lodge Executive Sous Chef. A handmade ocean-theme quilt created by Judy Wheeler will be auctioned.

*Ocean* is a collaborative project between SpectorDance and MBARI. Based on interviews with leading ocean scientists and underwater video footage from MBARI, SpectorDance is creating a multidisciplinary performance piece investigating the effects of human activity on our world ocean.

*Ocean* will be presented by Sunset Center's "Classroom Connections" program in Fall 2011. Along with our scientific and artistic goals, *Ocean* aims to expand the role of arts in education, engage youth audiences, foster constructive dialogue, and inspire responsible stewardship.

To date, SpectorDance has received generous funding for *Ocean* from The National Endowment for the Arts, The Monterey Peninsula Foundation, The Arts Council for Monterey County, Lenore and Dale Meyer, The Puffin Foundation, KAZU 90.3 FM, and the Barnet J. Segal Charitable Trust.

We invite **you** to support this exciting and innovative project and help us to reach the great potential of our vision.

Your donation will fund:

Artist's fees for the creation of *Ocean* and touring costs.

Curriculum development based on California Educational Standards.

Outreach performances for underserved youth.

***Come and join the wave!***
