

SOCIEDAD MEXICANA PRO DERECHOS DE LA MUJER, A.C. –*SEMILLAS*–

VERONICA DIAZ

WHAT IS SEMILLAS ORGANIZATION?

Semillas is a fund that supports women's groups and indigenous leaders with the common goal of improving the status of women in Mexico.

WHERE IS SEMILLAS ?

Semillas is located in Mexico City and provides services to the entire country.

MISSION

Semillas contribute to a just and equitable social change, with a gender perspective, by strengthening women's organizations in Mexico.

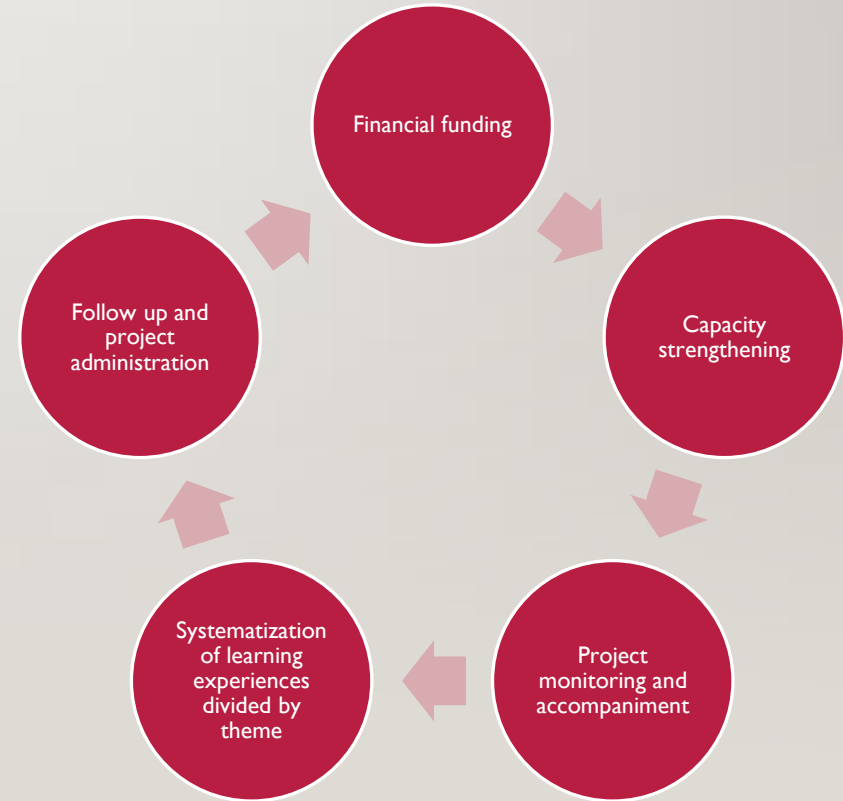

Sociedad Mexicana Pro
Derechos de la Mujer, A.C.

MODEL OF SUCCESS

Semillas seeds women's empowerment through social investment strategies:

1. Provide financial resources
2. Provide capacity building services
3. Build alliances

The implementation plan within the supported group includes: 

PRIMARY THEMES FOR FUNDING AND MANAGING GROUPS

STUDENT PARTICIPATION

OBJECTIVE

- Envisioned to gain a deeper understanding of the Semillas approach and serve as a learning experience for non-traditional approaches.

rights

TESTIMONIAL

- “My journey in Semillas organization in Mexico was remarkable and interesting. As a result of this learning experience, I have obtained the necessary tools to trigger organizational change through a gender perspective”.
