Requirements for a TMS

Category	Requirement	Must Have	Nice to Have	Notes
General Functionality	MT integration	x		
General Functionality	Easy-to-use dashboard/UI	x		
Administration	Easily create/edit workflows	x		
Administration	Comment on workflows, clients, etc.		x	If editing it possible, comments are not as necessary. Would be nice to have a "resolve" feature on the comments.
Financial	Cost estimation by job	x		
Financial	Cost savings from using TM	x		
Financial	Cost breakdown by words and specific tasks (DTP, etc.)	x		
Reporting	Analytics tool for reporting	x		Preferable to have a graph/chart function but not required.
Terminology	Automatic checker	x		
Terminology	Find and replace	x		Regex function would be nice
