

Airline	Offers Offset?	Method	Partner Organizations	Link	Details
Air France	Yes	Customer Initiated	GoodPlanet Foundation	http://corporate.airfrance.com/en/sustainable-development/co2-calculator/	Customers must use a emissions calculator. Not very clear. So far the proceeds have gone to: the production of compost for farming from from household waste in Mahajanga, Madagascar; the wide-scale installation of biogas tanks in Weining in China.
American	No			https://www.aa.com/i18n/aboutUs/environmental/main.jsp	The site talks about fuel efficient planes and adding winglets to reduce consumption, but there appears to be no carbon offset program for customers.
British Airways	Yes	Customer Initiated	One Destination Carbon Fund	http://www.britishairways.com/travel/csr-your-footprint/public/en_us	Unclear and not a very developed system. The new scheme is unique to BA and for the first time will enable you to support low carbon community projects across the UK. Examples may be solar hot water schemes in public swimming pools, small scale wind turbines for schools, or energy efficiency measures in social housing.
Cathay Pacific	Yes	Customer Initiated	Unclear	http://www.cathaypacific.com/cpa/en_INTL/aboutus/environment/flygreener	They have an emissions calculator. Money goes to renewable energy projects, specifically in China.
Delta	Yes	Customer Initiated	The Nature Conservancy	http://www.delta.com/about_delta/global_good/environment/index.jsp	Proceeds benefit a forest conservation, reforestation and wildlife habitat restoration project in Louisiana's Tensas River Basin.
Emirates	No			http://www.emirates.com/us/english/environment/our_position/carbon_offsetting.aspx	They have an extensive environmental program, but no individual offset programs for customers.
Lufthansa	Yes	Customer Initiated	myclimate	http://www.lufthansa.com/online/portal/lh/us/info_and_services/partner?nodeid=2037057&l=en	The money will be used to fund climate protection projects that will help to achieve a direct reduction in greenhouse gas emissions. Sends customers to a emissions calculator.
Southwest	No			http://www.southwest.com/assets/pdfs/corporate-commitments/southwestcares.pdf	
United Airways	Yes	Customer Initiated	Sustainable Travel International, Conservation International	http://www.united.com/page/article/0,6867,53032,00.html	offers various offset options at different prices based on the website's carbon offset calculator
US Airways	No				Not even an environmental page for their site.
Virgin America	Yes	Customer Initiated; in-flight only		http://www.virginamerica.com/about/environmental-sustainability.html	The company is committed to environmental sustainability, and offsets can only be purchased in-flight. Money goes toward California-based projects.
Best options:					
Delta, United, Virgin America
